“Drug-Safe Communities join The Franchise Shop and launch their franchise program”

The Franchise Shop is very pleased to announce that **Drug-Safe Communities** have chosen them as their franchise development and recruitment consultants.

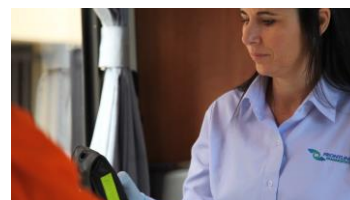

Drug-Safe Communities is Australia's top Alcohol and other drug screening business with successful mobile and on-site operations for more than 15 years. The franchise program is based on testing employees and running education programs to establish Drug-safe Communities in local areas.

“We are delighted to be able to assist **Drug-Safe Communities** with the development of their franchise program and their Franchise owner recruitment” said senior consultant Grant Garraway from **The Franchise Shop**. “For a franchise to be successful today it needs a genuine point of difference.” said Garraway. “**Drug-Safe Communities** bring a fresh, unique Australian designed and owned program where the franchise owner will make a real difference to their communities.”

Drug-Safe Communities are looking for Franchise Owners throughout Australia. Expressions of interest can be registered by contacting Grant Garraway at The Franchise Shop on 1300 139 557 or for more information go to www.thefranchiseshop.com.au
